PEDIATRIC STRANGULATION BIBLIOGRAPHY

www.strangulationtraininginstitute.com

Acknowledgements

The Institute would like to thank the following people for their contributions to this bibliography: Cathy Baldwin-Johnson MD FAAFP and Tracey Wiese, DNP from Alaska CARES.

This project is supported all or in part by Grant No. 2016-TA-AX-K067 awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women.
